May 2024

Submitted by Superintendent Philip Stockton

- Gathered all tools together for Walkable Homer project.
- Started Walkable Homer project!
- Continue hauling brush to city when we have time.
- Fixed water leak at Griggs field (water spicket leaking).
- Received new pickup truck for DPW.
- Continue mowing of village parks and properties.
- Put new lock and handle at concession stand at Griggs field.
- Picked up 2 big bags of dirt from BIO360 for community gardens.
- Fixed all driveways on James St from Walkable Homer project so far.
- Patched Cortland St. will continue patching when time permits.
- Top soiled all areas on James St where new sidewalk is put in.
- Fixed problem at Griggs field, kids smashed the cleanout for sewer and filled with rocks. Water was coming up through all the drains!! Put new caps on cleanouts.
- Got all flowers and plant boxes put down on main St.
- Pulled signs on Nixon Ave, that were no longer usable.
- The water dept patched a few roads for us.
- Mainly working on Walkable Homer project.
- I got all quotes for paving this year. Should be on the agenda.
- Picked a few areas of village of brush, will do 1 more round of village on a rainy day, a lot out there just doing it to clean the village back up!
- Hauled more of the old compost to the cemetery.

- Cleaned all trucks and equipment up at shop.

May 2024

June 3, 2024

Honorable mayor and village trustees

In the month of May, we ran 36 calls. Attached is the chief's report breaking down each incident as well as response times and locations of incidents. This month the department held the week long Spring Fire School. Firefighters worked on various fire ground tasks such as rope rescue, engine company operations and use of extrication tools. The last day the Homer Fire Department hosted a live burn at the Cortlandville RTC. This evolution gave firefighters an opportunity to train in real fire conditions. One new member has joined the fire department, bringing our total membership to sixty. The town of Homer contract for fire protection was signed this month for a three year agreement. I would like to thank Brian Young and the fire commission for meeting and finalizing the contract.

Respectfully submitted,

Jay M Riley
Chief of Department

May 2024 Monthly report

Date: May 26, 2024

For the time period: 04/26/2024 – 05/26/2024

Mayor and members of the board,

Patrol Monthly Activities:

Please refer to the attached detailed reports for last month. There were a total of 515 calls for service during the month of May. Officers made 1 unclassified misdemeanor arrest for aggravated unlicensed operation of a motor vehicle in the 3rd degree, 1 unclassified misdemeanor arrest for aggravated unlicensed operation of a motor vehicle in the 2nd degree and 1 driving while intoxicated arrest. Officers conducted 59 vehicle and traffic stops and issued 50 traffic tickets (29 were issued during the commercial motor vehicle inspection further detailed in this report). They also responded to 7 motor vehicle collisions, 1 of which involved personal injury.

Notable investigations or incidents during the month of May: a criminal mischief to a motor vehicle; a larceny from a business; a debit card fraud investigation; a larceny / fraud investigation at a business; an attempted phone scam fraud and an attempted fraud involving a computer.

School Officers Reports:

Please refer to the attached detailed school resource officer's report for the month of May 2024. There were a total of 536 incidents that the resource officers were involved in during the month of May.

Recent updates:

Security cameras updates: there are no issues with the cameras.

Patrol vehicle updates: As previously indicated in April's report, Dovi Motors received the rear axle bolt for patrol vehicles 125 and 225, which were on recall. Appointments were made for both vehicles to go to Dovi Motors in May but due to issues beyond their control employees at Dovi Motors the appointments were cancelled until June. The 2024 Ram pickup truck to replace patrol vehicle 126, is at Priority Fire for equipment installation with expectations that it will be in-service for the Memorial Day Parade. The pickup truck will have a new dash-camera when it is placed in-service. The dash-cameras will be installed in the remaining patrol vehicles by Priority Fire over the next few weeks. The dash-cameras that are being removed will be turned over to the fire department to be installed in their vehicles.

Grant updates: Click-it or Ticket statewide seatbelt campaigns starts on May 20, 2024, and goes until June 2, 2024. During this campaign we will be utilizing the grant funding from the 2024 New York State traffic safety grant.

As of this date, I have not received any notifications for the body worn camera grant through the Small, Rural, and Tribal Body-Worn Camera Grant Program through the Bureau of Justice Assistance of the Office of Justice Programs, U.S. Department of Justice and Justice & Security Strategies that I applied for.

As the board is aware, on May 13, 2024, I was notified that we were awarded \$281,500. from New York State Division of Criminal Justice Services (DCJS) regarding the Law Enforcement Technologies (LETECH) and Applicable Software /Equipment Grant. When I was notified of the award I was informed that I will be receiving a formal award letter and grant documentation from DCJS Office of Program Development and Funding by no later than Friday, May 31, 2024. The awarded grant funds can be used for surveillance cameras (mobile/fixed), license plate readers (mobile/fixed), acoustic gunshot detection systems, unmanned aerial vehicles (drones), 3-D crime scene laser scanner, scanners/readers/radios, software applications, development and deployment, patrol vehicle equipment (PC/tablet, scanners, printers, etc.), body worn equipment and lighting Systems. We will be utilizing the funding to purchase new portable radios, patrol vehicle equipment (P/C and printers), license plate readers, surveillance cameras (street cameras), additional body worn cameras and possibly additional drones.

I am continually working with TenKate Grant Services to apply for the US Department of Justice COPS Hiring Program grant. I will be obtaining letters of support for this grant from Congressman Molinaro, Congressman Williams, Senator Gillibrand and Senator Schumer.

Regarding the new body worn cameras and dash--cameras, we are still working to meet our tentative date of June 25, 2024, for officers to begin wearing the body worn cameras. Motorola will be providing us with in person training on the use of the body worn cameras and dash cameras on a date to be determined.

On May 20, 2024, I submitted the grant application for the Patrick Leahy Bulletproof Vest Partnership (BVP) Program, administered by the Bureau of Justice Assistance (BJA). As indicated in last month's report, the grant up to 50 percent of the cost of body armor vests purchased for law enforcement officers. The grant program is open until Monday, June 10, 2024, and I don't expect to be notified for a few months, but I will keep the board informed.

Miscellaneous and Events:

During our Autism Awareness fundraiser during the month of April, we raised a total of \$193.57 for Puzzle Solvers. Although Autism Awareness month was in April, we will have patches available in exchange for a donation to Puzzle Solvers.

On separate dates in May, I had the opportunity to speak during the forensic class at Homer High School and the criminal investigation class at Tompkins Cortland Community College regarding cases that I had investigated. It was a great opportunity to speak with the students in an effort to gain interest in law enforcement.

Prior to covid, the Cortland County District Attorney initiated a School Safety Task Force comprised of school officials, law enforcement, probation department, social services and the district attorney's office. On May 1, 2024, the district attorney reinitiated the task force with a meeting where we discussed truancy issues, extreme risk protection orders and the expansion of school resource officers in school throughout the county.

Homer Little League Parade and The YMCA "May the 4th be With You" 4K were both on May 4, 2024, 4K. The parade started at the intermediate / jr high school and ended at Grigg's Field. The 4K started and ended at Durkee Park. Officers and members of the Homer Fire Department assisted with traffic control during both events with no issues. I would like to mention that we are also pleased to be a little league team sponsor again this year. We are sponsoring the Hickory Crawdad's baseball team.

On May 7, 2024, Officer Smiley, Officer Cowen and I, along with other law enforcement across New York State and adjoining states, attended the Police Officers Memorial and the annual Remembrance Ceremony at the Law Enforcement Memorial wall in Empire State Plaza near the State Capitol Building in the City of Albany, NY today. The ceremony honored the memory and sacrifice of police officers from across New York State, who have died in the line of duty.

On May 10, 2024, United States Senator Gillibrand was at the Cicero Police Department, along with several representatives from several law enforcement agencies from across Central New York for a press conference where she announced the introduction of her new bipartisan bill, Providing Childcare for Police Officers Act. The bipartisan bill would provide \$24 million in federal funding for each of the next 5 fiscal years for childcare services to support the men and women who put their lives on the line to keep our communities safe. I was in attendance at the press conference, representing the village as well as the Central New York Chiefs of Police Association, and spoke in favor of the bill.

Also on May 10, 2024, Officer Malone resigned from the police department due to personal reasons. Officer Malone has been a part time police officer with us since June of 2021 and I would like to thank him for his service.

On May 21, 2024, we co-hosted a one-day interdiction and officer safety course with the Cortland University Police and the Middle Atlantic-Great Lakes Organized Crime Law Enforcement Network at Sperry Hall. The course was presented by members of the New York State Police and nearly 90 officers from throughout the Central New York Area were in attendance. There was no cost associated with this training.

Between May 21, 2024, and May 23, 2024, Officer Smiley and Officer Cowen attended a ASP tactical baton instructor course in Endicott, NY. The officers are now baton instructors and will be instructing in-service with the baton. There was no cost associated with this training.

On May 23, 2024, we began our spring firearms training at the Blodgett Mills Rod and Gun Club. Along with firearms, officers reviewed the use of force policy, received ballistic shield and stop stick training. We will be continuing the ballistic shield training along with active shooter training in June inside a school, utilizing hallways and stairwells.

In conclusion, on May 24, 2024, officers conducted commercial vehicle safety inspections with the New York State Police Commercial Vehicle Enforcement Unit and the Cortland County Sheriff's Office in the lower parking lot of the high school off from Copeland Ave. During the course of the day, 15 commercial vehicles were inspected, 5 of the vehicles were taken out of service for repairs and 3 drivers were taken out of service for various license violations. There were a total of 73 commercial vehicle violations and officers issued a total of 38 traffic tickets (27 were issued by Homer Officers and 11 by the other participating agencies).

Respectfully submitted,
Robert H. Pitman

HCHS School Resource Officer's Report:4/26/2024-5/25/2024

The School Resource Officer (SRO) program is a valuable partnership between The Village of Homer Police Department and Homer Central School District. The SROs are based out of the school district buildings and maintain an office within their respected assigned school. This facilitates and allows the SRO's to be immediately accessible to students, faculty, administration and parents. The SRO's primary goals are to assist in maintaining the highest level of safety within our schools through prevention, and intervention as well as to reduce juvenile crime and incidents through education and counseling.

The SRO's investigate incidents which occur on the properties of schools within the Village of Homer (Elementary, Intermediate, Jr. High and High School). The SRO's facilitate assistance for all through the use of police department, school and community resources. The SRO's also conduct investigations, assist in certain student/parent meetings, phone consults, partner agency meetings, referrals, informal counseling, providing assistance to school officials, and assistance to other police officers and agencies in regard to students or school issues and property.

The following data provides information and tracking of notable incidents handled for the time period of this report as well as a school year to date compilation.

May 2024 Monthly Water and Sewer report

Water:

- Fixed service leak at 5 Brentwood Drive. The curb stop was leaking.
- Replaced the curb stop at 6 Center Street. The curb stop was leaking.
- The street dept accidentally hit 2 curb boxes on James Street during the sidewalk replacement project. Both are fixed with new stems and boxes.
- Did Yearly samples for health dept. Nitrates for both wells, and principal organic chemicals for both wells.
- Did Monthly samples for the health department.
- Did the Monthly report for the health department.
- Dug out item 4 and cold patch we put in for a temporary fix for winter at 13 Elm Street. Put the base in and blacktop. Job is complete.
- We did our five-year master class for dig safe. We all passed our test.
- Built new shelves in our parts and inventory room for better organization. Spent a rainy day seeing what we have and labeling shelves and parts.
- Helped street dept a few times pouring sidewalks.
- Zavien took his class D course and he passed.
- We are going around exercising curb stops looking for leaks, and making sure they work properly.
- Assisted street dept with a sewer cleanout blockage at the baseball fields. Kids broke the top off and filled it with rocks. All fixed.
- Helped street dept with putting out hanging baskets and flower boxes on main street.

- Cleaned out well houses.
- Marked out UFPOS throughout the village.
- Continuing our lead service project.
- Started painting fire hydrants. To be continued.
- Went around the village in search of leaks.
- Did everyday things to maintain the Water System.

Sewer:

- Pulled Pump at North Fulton Street Pump Station. Rag was in the pump.
- Fixed infiltration problem with an adhesive Around sewer main on Tobin Drive.
- Fixed another infiltration with an adhesive on Wall Street.
- Went around to pump stations and cleaned floats and grease off the basins.
- Did Everyday things to maintain the sewer system.
