VILLAGE OF HOMER
PUBLIC HEARING
September 9, 2025

PUBLIC HEARING #1:

Village of Homer will hold a public hearing on September Ninth, 2025 at the Town Hall in Homer located at 31 North Main Street at 6:00 pm for the purpose of hearing public comments on the Village of Homer's community development needs, and to discuss the possible submission of one or more Community Development Block Grant (CDBG) applications for the 2025 program year. The CDBG program is administered by the New York State Office of Community Renewal (OCR) and will make available to eligible local governments approximately \$24.2 million through the 2025 CDBG Program, with up to \$20 million specifically available for public infrastructure projects and the remaining for housing, economic development, public facilities, and planning activities, with the principal purpose of benefiting low/moderate income persons. Village of Homer is applying for up to \$2 million in CDBG funds to construct a much-needed Newton Waterworks Water Tank. The hearing will provide further information about the CDBG program, including progress towards beneficiary goals, program objectives, and will allow for citizen participation in the development of any proposed grant applications and/or to provide technical assistance to develop alternate proposals. Comments on the CDBG program or proposed project will be received at this time. The hearing is being conducted pursuant to Section 570.486, Subpart I of the CFR and in compliance with the requirements of the Housing and Community Development Act of 1974, as amended.
