

# IMPORTANT REFUSE COLLECTION INFORMATION

## PLEASE RETAIN

We want to make sure your pickup goes smoothly every time.  
Here's how you can help:

**Set it out early:** Please place your carts at the curb the night before your scheduled pickup to avoid being missed.

**Sort it right:** Keep trash and recycling separate so everything can be collected properly.

**Use the right cart:** All trash should go in your black Syracuse Haulers cart.

**Recycle loose items only:** Place recyclables loosely in your green Syracuse Haulers cart—no plastic bags, please.

**Flatten cardboard:** Break down boxes and place them inside your recycling cart.

**Item's that will not be collected:** Brush, leaves, grass, construction material, furniture, carpets, sinks, tubs, appliances, tires, batteries, auto parts, air conditioners, etc.

We also offer various sizes of *roll-off containers* for clean outs, construction projects, and more. Call us for a quote!
