**To learn more about the Village's Smart Growth Comprehensive Plan and sign up for project updates, visit the project**

**website at: <https://www.villageofhomerny.gov/comprehensive-plan/>**

Funded by the New York State Department of State Smart Growth Community Planning Grant Program, *the Village's Smart Growth Comprehensive Plan will guide land use, development, and community investments in the Village of Homer over the next 20 years.* The Plan will establish an aspirational, yet feasible vision for Homer's future and define policy focus areas, goals, and actionable strategies for achieving the Village's vision.

*This document was prepared with funding provided by the New York State Department of State Environmental Protection Fund.*
